INDO-ISRAEL TIES “MADE IN HEAVEN”

Cartoonists have their own way of presenting news to the world... We encapsulate the news that made headlines globally from an illustrator's point of view...

HOW TO FIX Aadhaar

Andhra: India’s biometric scheme has been shredded in controversy since its inception. With the govt making it mandatory and linking the D1 to be tied to things like tax returns, phone numbers and bank accounts, it has become a legal issue. There are allegations that the card system has compromised quality. The UIDAI, Andhra’s issuance issued the first card in Sept 2010. Now we are at a sticking 1.2 bn cards.

THE BEST CARTOONS
