**LEADERSHIP**

O ur might be able to act for following the leadership, thought in community which makes through the leadership into our mind is necessary.

The world is full of leadership throughout the globe. There are tough competitions to everyone to embrace the leadership. In all fields they need leadership skills.

**LEADERSHIP IS WAY OF LIFE**

I have taken a deep breath and we are taking a look at the most powerful beings in the world, and we should be given every opportunity. That is what we should be teaching young girls - to take up space. Nothing as important as taking up space in society.

- **ZOKHIWAI TONKI, MESS UNION 2019**

**INFLUENCE AND MOTIVATE**

Yes, I agree with the statement that leadership is one of the most important qualities that a person can possess. But let’s take a look into our classrooms and see if we can find the leadership that is needed. I believe that teaching young girls to be leaders is extremely important.

**THE TIME IS NOW!**

The world is slowly changing from an old-fashioned era to one that favours women. In various countries, women are now in more opportunities than ever before. Many young girls are taking up leading female roles and taking on responsibilities.

**BE FAIR, BE EQUAL**

No one has to be a leader; society is not made of men and women. Our educators preach among women as much as it is done on the other side. The most important quality of leadership is that it should not be based on gender.
