

From the TOONS' WORLD

Cartoonists have their own way of presenting news to the world... Here's encapsulating the news that made headlines globally from an illustrator's eye...

PRODUCTIVITY AT WHAT COST?

After five years of adopting the consensus and money bill route to negotiate opposition majority in Rajya Sabha, government's success in passing several key bills in the same House marks a decisive turn in BJP's parliamentary strategy. Many bills were passed this session. But critics say most of the bills were passed without scrutiny.

ROAD AHEAD FOR J&K AND LADAKH

Govt must sensitively handle likely protests in Kashmir once lockdown is lifted. Kashmir is in lockdown today, but restrictions on everyday activity will need to be removed soon. Over the last week the Centre had massively boosted security presence in Kashmir. Clearly, the Centre felt that the security situation could get out of hand.
