Let us pledge to:

1. Reduce one-time-use materials like plastics, bags, disposable cups, napkins.
2. Reuse – use all the material several times.
3. Recycle the materials.
4. Arrange to donate old clothes, shoes, etc.
5. Plant trees and save water.

We call the earth as a mother because she is as important to keep the mother earth clean, neat and well taken care of. Air, water, soil, and every living being of this earth is ours. We call the earth as a mother because she is the protector of all. She is as important to keep the mother earth clean, neat and well taken care of.
