HE UNDERSTANDS A TEEN AGONY

According to a study by the Storm family, John Green shares The Catcher in the Rye, the best-selling novel of all time. In his book, the protagonist, holden caulfield, talks about his worst childhood memories. Green holds a degree in experimental film and is a published poet, but his novels are his first foray into fiction. He is often heralded as the voice of his generation. Green has written four books, which have been translated into 14 languages.

AN ANYTHING BUT SAPPY

The Fault in Our Stars (2010), as he often-programs crossover of teenage romance, cancer and death, is a love triangle and friendship drama. This novel, which has been praised for its raw, honest, and humorous portrayal of love and loss, is a bestseller and a New York Times bestseller. Green is also known for his novels, which have been translated into many languages.

WORLDWIDE

Green's books have been translated into over 20 languages and have sold millions of copies worldwide. He has won several awards, including the Carnegie Medal for Excellence in Children's Literature, the Guardian Children's Fiction Prize, and the National Book Award for Young People's Literature.

Let’s talk about why the world loves John Green, the author of bestselling novel ‘The Fault In Our Stars’ and many more.
