REBEL GIRL

CHARLES DICKENS

WRITING START

At fifteen his formal education ended, and he found employment as an office boy at an attorney’s office, while he studied shorthand. Dickens was employed as a shorthand writer, which he continued to be after he was put in charge of the office. He was a | During his writing career, Dickens was a prolific writer and musician, and his work covered a wide range of topics, including social issues, politics, and music. He was also a musician, and his work often included musical elements. He was also a social reformer, and his work was influential in the development of social policy in the UK.

FATHER OF SC-IFI

JULES VERNE

EERILY ACCURATE PREDICTIONS

Throughout the French author’s lifetime, the internet had not yet been invented, let alone the technology for mobile communication. Despite this, Verne’s stories were read voraciously by millions, and his stories have been translated into dozens of languages worldwide. The author's works are considered to be among the most influential in the development of science fiction as a genre, and his work has been the inspiration for many subsequent writers. Verne's stories have been adapted into films, television series, and video games, and his legacy continues to inspire generations of readers and writers. In addition to his literary achievements, Verne was also known for his private life, which was not without controversy. He was married to three women, and he had several children with each of them. Verne’s legacy is one of the most enduring in the history of science fiction, and his works continue to be read and enjoyed by millions of people around the world.

LORD MARVEL

CHARLES DICKENS

DAY OF THE DEAD

WILLIAM SHAKESPEARE

NEATLY PLANNED
